Dear C.L.I.F. Sponsors,

Thank you for all the great books! The book I got was Origami Yoda. The reason I picked the book is because it's just right for me which means it's at my reading level. Also, I picked it because it's funny. The book is about a boy and Origami Yoda. The boy just moved and the boy's friend has Origami Yoda as his friend. Also, he said that Origami Yoda could predict the future!

With appreciation,
Lenny
